

Program Data Point 11. Student Clinical Site Evaluations

Using feedback from students, the program developed a concise set of questions aimed at evaluating site supervision and students' overall site experiences. In the summer of 2023, the program revised the forms students use to evaluate their placement sites and site supervisors, increasing the number of data points for both instruments. The following tables detail the data collected.

Table 1. Student evaluation of placement site

Evaluation Prompt 5=highly effective; 1=minimally effective	SU 2023	FA 2023	SP 2024	SU 2024	FA 2024	SP 2025	SU 2025
