## TWO DEGREES, ONE PATH

---

### **TRANSFER PATHWAY GUIDE 2024-2025**

Associate of Applied Science in Respiratory Care Technology To  
Bachelor of Science in Respiratory Care

#### ***Overview***

Completion of the following curriculum will satisfy the requirements for the Associate of Applied Science (AAS) in Respiratory Care Technology degree at Cincinnati State (CState) and leads to the Bachelor of Science (BS) in Respiratory Care degree at Northern Kentucky University (NKU).

#### ***Applying to the CState2NKU Program***

Students can apply to participate in the pathway program by completing the online application on the NKU transfer webpage. Students must be enrolled in at least six credit hours at Cincinnati State, enrolled in an associate degree program, plan to transfer to NKU, and maintain a minimum 2.0 cumulative GPA at Cincinnati State.

#### ***Degree Requirements for Cincinnati State***

1) Completion of minimum 60 credit hours, 2) minimum cumulative GPA 2.0, 3) completion of an FYE course as part of the first 12 credit hours taken at Cincinnati State, and 4) completion of Cooperative Education.

#### ***Admission Requirements for NKU***

Students completing an associate degree with a cumulative GPA of 2.0 or higher will be accepted into NKU. In addition, students must meet the admission requirements for a Bachelor of Science in Respiratory Care listed below.

- Students must complete a program application form.
- Have a GPA of 2.3 or higher on a 4.0 scale for all transferable college work.
- Completion of “written I” and “oral” communication general education courses.
- Completion of CHE 115/115L (CHE 115), BIO 208/208L (BIO 151), STA 205 (MAT 131), and HSC 101 (RT 100) with a grade of C or higher.
- Successful completion of a criminal background check prior to final acceptance into the program.
- Meet all eligibility requirements for admission into NKU.

- Students who have not completed the Ohio Transfer Module will be required to take additional general education courses at NKU.
- All academic work must be evaluated by NKU Admissions Office and the Respiratory Care Program Director.

Note: Students who have a current Registered Respiratory Therapist (RRT) credential from the National Board for Respiratory Care (NBRC) should apply to the Bachelor of Science in Respiratory Care Completion program.

### ***Degree Requirements for NKU***

To earn a bachelor's degree at NKU, students must complete a minimum of 120 credit hours with at least 45 credit hours numbered 300 and above. In addition, at least 25% of the credit hours required for the degree and the last 30 credit hours must be completed at NKU. Students must have an overall GPA of 2.0 and meet all requirements for the major. A minor is not required for this major.

### ***Advising Note***

Students in the CState2NKU program should work closely with their advisors when choosing courses. This document serves as a guide but does not replace academic advising. When choosing Cincinnati State courses, student may also consult the Associate of Arts advising brochure or the catalog for A and B list courses in Arts and Humanities or Social and Behavioral Sciences.
